UNITED STATES INTELLIGENCE BOARD

MEMORANDUM FOR THE UNITED STATES INTELLIGENCE BOARD

SUBJECT : Proposed Amendments to Director of Central Intelligence Directives (DCIDs) to Reflect the USIB Action on the Committee Structure of the USIB

REFERENCES : (a) USIB-D-27.1/18, 31 May 1962
(b) USIB-M-225, 18 July 1962, item 8

1. The attached memorandum (Tab A), prepared by the Coordination Staff in response to Reference (b), above, proposes revisions of pertinent DCIDs to reflect USIB action on reference (a). The dashes and underlining therein indicate, respectively, the deletions and additions proposed to be made in the text of certain directives.

2. It will be noted that the proposed revisions also reflect the wish of the Director of Central Intelligence to clarify the DCIDs so as to indicate that it is his responsibility, in consultation with the Board, to appoint committee chairmen, and his conclusion, after further study, that the Domestic Exploitation Committee and the Committee on Exploitation of Foreign Language Publications should be disestablished.

3. It is requested that Board members record in the vote sheet attached at Tab B either their approval of or other views on the proposed revisions in DCIDs set forth in the attached memorandum from [] and return the vote sheet to the Secretariat not later than close of business on 21 September 1962.

General Carter

I have reviewed the attached package with Mr. McCone who fails to see what all the shouting is about.

In effect, he does not wish to get into a legal wrangle over the question of committees or committee chairmen. He is not prepared to schedule a USIB discussion of this issue at this time. He knows of no committees or committee chairmen which are up for appointment and in any event he says when the time comes to appoint a chairman he will do it and notify the Board.

Therefore, he did not approve or disapprove the scheduling of this subject on a forthcoming USIB agenda.

MEMORANDUM FOR CHAIRMAN, USIB

THROUGH : Deputy Director of Central Intelligence

SUBJECT : Proposed Amendments to DCIDs to Reflect
USIB Action on its Committee Structure

1. The attached memorandum for the USIB (USIB-D-5.1/1) was prepared by the Coordination Staff in response to USIB directive. The proposed amendments to DCIDs are entirely consistent with the previous USIB action regarding its committee structure, except for the following:

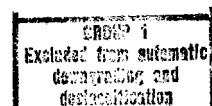

- a. In accordance with the expressed wish of the DCI, the provision in certain DCIDs specifically requiring USIB concurrence in the DCI's appointment of committee chairmen would be eliminated, leaving in the usual provision for consultation with the Board.
- b. As concluded by the DCI after further study, the Domestic Exploitation Committee and the Committee on Exploitation of Foreign Language Publications would be disestablished.
- c. Because of the complexity of the amendments required, the DCID regarding the East-West Exchange Program has been redrafted in its entirety.

2. The actions of the other Board members on the attached memorandum are summarized below:

- a. State is in general agreement but prefers USIB discussion of certain aspects.
- b. DIA, supported by Army, Navy and Air Force, concur subject to a minor editorial change, with the following exceptions:*

*Attention is invited to paragraphs 1-4 of General Carroll's memorandum (attached hereto) giving the reasoning behind his non-concurrences.

SECRET

SECRET

(1) Non-concurrence in the elimination of the proviso for USIB concurrence in the DCI's appointment of certain committee chairmen.

(2) Non-concurrence in the provision that proposed studies by the Critical Collection Problems Committee (CCPC) should be subject to approval by the DCI. Although this provision was specifically approved by USIB in its previous action, DIA and the Services now propose that such studies be approved by USIB rather than the DCI.

c. Joint Staff prefers discussion at a USIB meeting.

d. NSA, AEC and FBI concur, except for an AEC proposal that the redrafted DCID on East-West Exchanges be clarified.

3. The attached memorandum from DDI recommends that the CIA position be to concur with the Coordination Staff proposals, except for eliminating the mandatory membership of the Joint Staff on the Economic Intelligence Committee (with which the Joint Staff concurs). DDI strongly supports the language regarding the CCPC previously agreed by USIB (see alternate DIA proposal in 2.b. (2) above).

4. In order to complete Board action on the attached memorandum, it appears that it will be necessary to schedule it, together with the above views of Board members, for discussion at a USIB meeting, unless the DDCI or the DCI wish to confer with General Carroll directly regarding his views in paragraph 2.b. above prior to Board consideration.

is approved
5. Action is requested below indicating whether the proposed CIA position and whether the DCI authorized scheduling of this matter on a forthcoming USIB agenda.

MEMORANDUM FOR DEPUTY DIRECTOR OF CENTRAL INTELLIGENCE

SUBJECT : Proposed Amendments to DCIDs

REFERENCE: USIB-D-5.1/1, dated 7 September 1962

1. This memorandum recommends the position that the CIA member should take with regard to the proposed amendments to the DCIDs.

25X1 2. DD/I, DD/R, and DD/P concur in the proposed changes in DCIDs as set forth in [redacted] memorandum for the USIB with one minor technical exception. This minor exception would delete the requirement for mandatory membership for the Joint Staff in the Economic Intelligence Committee (DCID 3/1). The Joint Staff has not been active in EIC affairs for some time, and we see no reason to change this situation. We have also been informed that the Joint Staff concurs in this deletion.

3. We strongly support the language of the proposed charter for the Critical Collection Problems Committee (DCID 2/2). We would like to consider carefully and might well object to any change in wording that might be proposed by other members of the USIB.

25X1 4. It is recommended that you propose the deletion of the words "and of the Joint Staff (JCS)" from the proposed revision of DCID 3/1 and that you concur in all other proposals contained in [redacted] memorandum.
